Teaching Learning Process

Curriculum and syllabus for each of the programmes as approved by the University	As per DOTE regulation
Academic calendar of the year	www.nlptc.org

<p>Internal Continuous Evaluation System and place</p>	<p>The institution strictly follows the evaluation Procedure prescribed by the affiliating university. The evaluation weightage is 25% for continuous assessment tests and 75% for the end-semester.</p> <p>The academic calendar for each semester is prepared in line with the University schedule of events, which provides the information on scheduled timetable for internal assessments, model examinations and the tentative schedule of University practical examinations; in regard to this the students can plan the course of action.</p> <p>The question paper pattern for the internal examinations have been standardized by the institution, similar to that of University end semester question paper containing Part A, Part B and Part C questions as applicable.</p> <p>Internal assessment I covers Unit I and II, Internal assessment II covers Unit III and IV and model examination covers the entire syllabus of a particular course.</p> <p>With regards to the tests, faculties prepare question paper which they give to the exam cell and it is distributed to the students at the time of assessment.</p> <p>Student marks are intimated to the students immediately after the completion of assessment and the same is communicated to their parents through PROGRESS CARD. Retests / Improvement tests / COACHING CLASS are conducted for students who fail to secure minimum percentage of marks.</p> <p>The academic performance of the student and attendance of the student are maintained and recorded in each department.</p>
<p>Student's assessment of Faculty, System in place</p>	<p>Online feedback available</p>
